

Airports Economic Regulatory Authority of India

Order No. 03/2019-20

**AERA Building,
Administrative Complex,
Safdarjung Airport,
New Delhi - 110003**

Date of Issue: 22nd April, 2019

Service : Cargo Handling Services
Service provider : M/s Celebi Delhi Cargo Terminal Management India Private Limited,
Airport : Indira Gandhi International Airport, New Delhi.

In the matter of Annual Tariff Proposal for Tariff Year 4 and 5 (FY 2019-20 and FY 2020-21) of the Second Control Period (01.04.2016-31.03.2021) of M/s Celebi Delhi Cargo Terminal Management India Private Limited for providing Cargo Handling services at Cargo Terminal, IGI Airport, New Delhi.

The Authority considered the Multi Year Tariff Proposal (MYTP) and Annual Tariff Proposal (ATP) submitted by M/s Celebi Delhi Cargo Terminal Management India (Celebi) for 2nd control period of 5 years commencing w.e.f. 01.04.2016 to 31.03.2021 and after due stakeholder consultation, issued Multi Year Tariff Order (MYTO) No. 16/2016-17 dated 14.02.2017 wherein the Authority decided to adopt 'Light Touch Approach' and determined Tariff for first tariff year (FY 2016-17). The Authority further vide Order No. 17/2018-19 dated 29.08.2018 also determined tariff(s) for second and third tariff years (FY 2017-18 and FY 2018-19).

2.1 The Authority, further vide Order No. 48/2018-19 dated 25.03.2019 has allowed M/s Celebi to continue the levy of tariff(s) existing as on 31.03.2019 up to 30.09.2019 or till determination of tariff by the Authority whichever is earlier.

2.2 As per clause 7.4 of the Authority's Guidelines [Airports Economic Regulatory Authority of India (Terms and Condition for determination of tariff for services provided for Cargo Facility, Ground Handling and Supply of Fuel to the Aircraft) Guidelines, 2011], after issuance of the MYTO, the service provider shall submit to the Authority its ATP (s), provided that an ATP shall be submitted at least 75 days prior to the start of the Tariff Year. As per the clause 11.2 of the Guidelines, the ATP is required to be submitted in the form and manner as provided in Appendix AI 8.2 wherein it is mentioned that the ATP should be supported by:

- Form B and Form F14 (b),
- Detail of consultation with stakeholders
- Evidence of User Agreements clearly indicating the Tariff(s) proposed by the service provider.

3. The Authority in its Order No. 17/2018-19 dated 29.08.2018, had advised M/s Celebi to discuss with trade bodies and submit proposals for tariff revision in FY 2019-20 and FY 2020-21.

4. M/s Celebi Delhi Cargo Terminal Management India Private Limited submitted its ATP for Tariff year 4 (FY 2019-2020) and Tariff year 5 (FY 2020-2021) vide submissions dated 09.11.2018, 11.01.2018 and 15.01.2019. Celebi had already submitted the Annual Compliance Statement (ACS) for the FY 2016-17 and 2017-18 duly certified by chartered accountant, audited financial statement for the FY 2017-18, copy of the user agreements and license agreement earlier.

5. M/s Celebi, in the above submissions, proposed 30% increase in tariff for FY 2019-20 and 17% increase for FY 2020-21. Celebi has conducted the user consultations with trade bodies. In the Minutes of Meeting dated 01.10.2018 with trade, in concluding comments it is mentioned that the trade partners appreciated the proposed investment plans of Celebi positively and acknowledged the rationale behind the proposed increase. In the Minutes of Meeting dated 29.10.2018 with DCCAA and ACAAI it is mentioned that 15% increase for FY 2019-20 and 10% increase for FY 2020-21 is an acceptable level of increase.

6. M/s Celebi Delhi, earlier during January, 2018 submitted its Annual Tariff Proposals for FY 2018-19, 2019-20 and 2020-21 wherein they sought 33% increase in tariff for tariff year 3 (FY2018-19), and 15 % year on year increase for tariff year 4 and 5 (FY 2019-20 & 2020-21). It is observed that similar justifications were given by Celebi at that time. The Authority had analysed these Annual Tariff Proposals for FY 2018-19, 2019-20 and 2020-21 in detail and calculated ARR for these tariff years also which were published in the Consultation Paper No. 08/2018-19 dated 29.06.2018 at that time. The Authority noted that 25% increase in tariff for FY 2018-19 and further 10% increase year on year is required to match the ARR as against the 33% for FY2018-19, and 15 % for 2019-20 & 2020-21 as sought by Celebi. Accordingly vide Order No.17/2018-19 dated 29.08.2018, the Authority determined tariff(s), maintaining the existing tariff (as on 31.03.2017) for second tariff year (FY 2017-18) and allowed 25% increase in third tariff year (FY 2018-19).

7. The Authority has carefully considered the ATP for fourth and fifth tariff years submitted by Celebi and issued a Consultation Paper No. 34/2018-19 dated 12.03.2019 proposing the following for stakeholder's consultation:

- a) The Authority proposes 10% year on year increase for fourth tariff year (FY2019-20) and fifth tariff year (FY2020-21) (excluding the effect of return on security deposit) to meet the revenue requirement of M/s Celebi Delhi Cargo.
- b) Tariff proposed as above will be maximum and demurrage free period shall be as per Government orders issued from time to time.

8. **Stakeholders' Comments:**

- a) **Delhi Customs Clearing Agents Association (DCCAA):** DCCAA in its comments has mentioned about the proposed 30% and 17% increase in tariff by Celebi for the FY 2019-20 and 2020-21 respectively for cargo handling services at Cargo Terminal, IGI Airport, New Delhi. They have referred to the stakeholder meetings conducted on 01.10.2018 and 29.10.2018 by Celebi and mentioned that they have objected to the exorbitant increase in tariff rates as trade is already burdened with the increasing costs of transaction in every field of business and the increase proposed by Celebi will further burden the industry in the present competitive market trends in India and all over the world. DCCAA further stated that a conscious decision relating to increase in rates by Celebi may be taken so that the importers/exporters and trade are not overburdened due to exorbitant hike proposed by Celebi.

b) M/s Celebi Delhi Cargo Terminal Management India Pvt. Ltd. also offered its comments on the proposal contained in the aforesaid Consultation Paper. Celebi stated the following:

- i) Their tariff(s) were low in the past considering the investment made by them. Their average net profit margin is 3.8% in last 7 years and company is able to declare 5% dividend to its shareholders.
- ii) M/s Celebi has infused significant capital investments to modernise the complete infrastructure of the terminal in the past and brought several state-of-art equipment. Celebi has planned investment of Rs 115 cr in the current control period and more for other projects.
- iii) Celebi has not received any return on security deposits since inception (INR 178 Cr – April, 2019).
- iv) Due to change in CISF regulation, Celebi may be required to deploy additional security staff at the city side that will cost about Rs 2 Cr per annum and which has not been considered in their request for increase in tariff rates.
- v) M/s Celebi has requested that considering all the above major points, 15% and 10% increase in tariff for FY 2019-20 and FY 2020-21 may be considered which has been agreed by the relevant trade bodies.

9. Views of M/s Celebi Cargo on stakeholders comments:

M/s Celebi vide letter dated 12.04.2019 has clarified that it seems that DCCAA has not gone carefully through the consultation paper no. 34/2018-19 dated 12.03.2019 published by AERA. AERA has proposed 10% year on year increase for FY 2019-20 and FY 2020-21 whereas DCCAA has raised concern regarding Celebi's proposal of 30% and 17% increase for FY 2019-20 and 2020-21 respectively. Celebi further requested to consider their request for 15% and 10% increase in tariff for FY 2019-20 and 2020-21 which has been agreed by the relevant trade bodies.

10. Authority's views on stakeholders comments:

10.1 The Authority noted that DCCAA has referred to Celebi's proposal of 30% and 17% increase for FY 2019-20 and 2020-21 respectively. It is observed that DCCAA has not seen the proposal of the AERA in the said consultation paper wherein 10% year on year increase in tariff for FY 2019-20 and FY 2020-21 has been proposed.

10.2 The Authority noted that the comments received from DCCAA which are not on the proposal of the consultation paper and no comments have been received from any other stakeholder. Hence the Authority presumes that stakeholders have no objection to the proposal contained in the said consultation paper. Accordingly, the Authority has decided to allow M/s Celebi 10% year on year increase for fourth tariff year (FY2019-20) and fifth tariff year (FY2020-21).

10.3 M/s Celebi has asked for a review of AERA's proposal in the Consultation Paper and reiterated that an increase of 15% and 10% may be accorded for FY 2019-20 and FY 2020-21 based on their commitment for capital expenditure and likely increase in security cost. The figures stated by M/s Celebi are projections and may or may not happen. M/s Celebi may come back to AERA for re-fixation of tariff if they fail to meet ARR due to higher capital expenditure or security expenses.

ORDER

11. Upon careful consideration of the material available on record, the Authority, in exercise of powers conferred upon it by Section 13(1)(a) of the AERA Act, 2008 hereby orders that:

- 11.1 The Authority allow 10% year on year increase in tariff(s) for the tariff year 4 (FY 2019-20) and tariff year 5 (FY 2020-21) of the Second Control period for the cargo handling services provided by M/s Celebi Delhi Cargo Terminal Management India Pvt Ltd at IGI Airport, Delhi as mentioned at **Annexure – I**.
- 11.2 The levy of new tariffs shall be effective from **1st May, 2019**.
- 11.3 Tariff proposed as above will be maximum and demurrage free period shall be as per Government orders issued from time to time.

Demurrage Charges:

1. The 'Free Period' would be 48 hours.
2. Calculation of free period would start from segregation time reflected in ICEGATE till generation of the Gate Pass.
3. Prevailing business hours remain unchanged.
4. Number of hours applicable for demurrage will be calculated as time between segregation time reflected in ICEGATE and the "Time of Issue of Gate pass". Each 24 hrs cycle will be 01 day and any part thereof will be counted as full day.
5. After expiry of the stipulated free period, next 48 hours will be charged on 'per kg per day non-cumulative basis', inclusive of holidays, provided the consignment is cleared within 96 hours from segregation time reflected in ICEGATE.
6. After expiry of the stipulated free period i.e., 48 hrs, if the total time between segregation time reflected in ICEGATE and generation of the Gate Pass exceeds 96 hrs, Demurrage Charges will be levied on cumulative basis inclusive of holidays from the date and segregation time reflected in ICEGATE.
7. The tariff charged will be applicable as per the tariff prevailing at the time of invoicing.
